Remarks

Naga and Annappa rē from Sringeri and South Canara. Applied for land for building purposes out No: 12 (gomal) of Tulvanakoppa village land ⁶⁻⁴⁰⁰ 10-112 in extent applies for, left side of the Koppa Chikmagalur road. The applicants want to build houses to live in and keep shops in them. It has been reported that rē to stop there, that the establishment shops would be useful to the travelling public and that there is water convenience.

The villagers have no objection. The applicants have no house in this village. There are 4 houses ⁶ 7-8 in a portion of this No. from even before Survey Settlement, contiguous with the ^{land} (7-83) applied for.

It is desirable that half an acre of land should be set apart for building purposes for the present houses standing (the No. and for building purposes now applied for. The remaining extent will meet the future requirements of the villagers.

An extent of 9 guntas has been allotted as building site. The place being Tulvanakoppa, houses are scattered here & there. It is impossible to make out where the extent of 9 guntas is. It is not shown in the village map.

The applicants have put up temporary huts for which due notice will be taken.

The alienation is recommended.
